## WALKING and STUDENTS by VEHICLE

Student conduct and safety on the way to and from school should be a matter of concern to parents. The school will cooperate with parents on these matters. Parents should discuss the safest route to school emphasizing the use of sidewalks and not trespassing on private property.

\* Children should NOT arrive at school before 8:05 a.m. Upon arrival walkers and students by vehicle should exit their vehicle on Mill Street and follow the direction from administration and teachers who will guide them to our entrance under the parking garage. They will then get their temperature checked and sanitize their hands.

\* Students are expected to travel directly to and from school and obey school crossing guards. All students should go directly home after school.

\* Students walking and being picked up by a vehicle will be dismissed out Mill Street at approximately 2:55 PM. At no time, may a parent park illegally or block traffic on Mill Street or any other street within the borough. Any person or vehicle that violates this will be subject to traffic violations strictly enforced by the Saint Clair Police Dept.

\* Kindergarten students will not be released via bus, walker, or vehicle pick up without the presence of parent, guardian, or emergency contact.

\* South Mill Street going north will be **ONE WAY** between the hours of 8:00 AM and 8:30 AM, and 2:45 PM and 3:05 PM. Drivers will be directed to pull forward to the first available spot to safely drop off students.

## SCHOOL CROSSING GUARDS

The crossing guard is the AUTHORITY FIGURE representing the school district. All violations of safety rules or general misconduct will be reported by the crossing guard to the principal. Children should not engage in any activity that may potentially result in damage to personal property or endanger the health and safety of others.

### CHANGING BUSES

Students may ride only on their designated bus. Bus rosters are assigned by the school district, and changes may only be made by school officials.
